REACTJS DEVELOPER

Results-oriented ReactJS developer with over 2.5+ years of hands-on experience, including 1 year of remote work experience. Proficient in front-end development with ReactJS, NextJS, JavaScript, HTML, and CSS. Proven ability to troubleshoot bugs and translate design concepts into responsive and scalable websites. Strong problem-solving skills, excellent communicator, and collaborative team player. Excels in crafting responsive design and efficient code with the latest industry trends.

SKILLS & STRENGTHS

- Typescript
- APIs Integration
- Ant Design
- Critical Thinking
- Problem Solving
- Redux/toolkit
- App Optimization
- Material UI
- Time Management
- Team Player
- Webpack
- Git & GitHub
- Styled Components
- Excellent Communication

WORK EXPERIENCE

Devgate Consultancy (Remote & Onsite)

Nov 2022 - Present

ReactJS Developer

- Developed and maintained custom reusable components and improved development efficiency and consistency across projects.
- Optimized app performance by 30% with code splitting, lazy loading, caching, and minimizing HTTP requests.
- Actively participated in code reviews, providing constructive feedback for continuous improvement.
- Collaborated with remote team to deliver complex solutions and ensured seamless execution.
- Troubleshoot performance bugs and resolved complex technical issues to ensure optimal application performance.
- Integrated RESTful APIs into software solutions to facilitate seamless data exchange.
- Utilized Redux for state management, enhancing application performance and maintainability.
- Employed modern CSS libraries, like Ant Design and Material UI, and Tailwind to craft responsive UI.
- Implemented dual language UI functionality for English and Arabic languages.

Fiverr, Freelance

Nov 2021 - Nov 2022

ReactJS Static Page Design & APIs Integration Services

- Developed responsive static pages using ReactJS, Ant Design, Material UI, and Tailwind.
- Utilized Axios for smooth API integration, enabling effective communication and data transfer in React applications.
- Provided continuous support and maintenance and resolved issues or discrepancies promptly.
- Ensured compatibility and reliability of API integrations through testing and debugging processes.
- Collaborated closely with clients to understand their needs and requirements, delivering tailored solutions.

Meezan Bank Limited

Nov 2020 - Nov 2021

Branch Services Officer

- Responsible for processing and handling payments and sorting of local currency.
- Improved operational management systems with SBP-advised best practices.
- Collaborated with the team to help the organization's processes remain legally compliant.

DaftarPro, Devgate Consultancy

- A company management software, designed to streamline all aspects of organizational workflows.
- Played a key role in the development, maintenance, and seamless integration of new features and modules, elevating overall functionality.
- Implemented dual-language user interface support for English and Arabic languages.
- Key features include HR operations, Finance, Project, Inventory, Employee, and Asset Management.
- The main technologies used in this project are:
 - ReactJS
 - JavaScript ES6
 - Ant Design
 - Material UI
 - Redux/toolkit
 - i18next

SpaceHub, Devgate Consultancy

- A space management software designed to automate space owner operations.
- Developed, maintained, and expanded new features and modules to drive ongoing improvement.
- Implemented bilingual UI functionality, supporting English and Arabic languages.
- The main technologies used in this project are:
 - ReactJS
 - JavaScript ES6
 - Styled Component
 - Ant Design
 - Material UI
 - i18next
 - Redux/toolkit

Centennial Pakistan, Devgate Consultancy

- A software that enables users to file petitions, cast votes, and participate in referendums.
- Developed, maintained, and integrated new features and modules to enhance user experience.
- The main technologies used in this project are:
 - ReactJS
 - JavaScript ES6
 - Redux/toolkit
 - Ant Design
 - Material UI
 - Styled Component

EDUCATION

Bachelor's Degree in Computer Science

2015 - 2019

Bahauddin Zakariya University, Multan, Pakistan

CGPA 3.32

ACHIEVEMENTS

- Received "Certificate of Appreciation" Award for exceptional performance at Devgate Consultancy.
- Received "Employee of the Month" Award for outstanding contributions at Meezan Bank Limited.
