Address

Ujjain (M.P.) INDIA

A dedicated and resourceful professional with **9 years** of expertise in front-end development and web design. As the **Founder & CEO of my own company (Absne Private Limited)**, I successfully managed and delivered a wide range of web development projects while leading an in-house team. Following financial challenges, I transitioned to operating independently, showcasing resilience and adaptability. I am now seeking a stable role where I can apply my extensive technical skills, problem-solving abilities, and leadership experience to drive impactful results for a forward-thinking organization.

### Key Skills

- ✓ WordPress CMS.
- ✓ Creating responsive HTML layout on **all devices**.
- ✓ Extra strong hand in CSS (Can change layout design of existing website without disturb functionality).
- ✓ XD/ Figma to HTML layout with **pixel-perfect**.
- ✓ XD/ **Figma to WordPress** using Elementor.
- ✓ **UI/UX Expertise** as well as Graphic work.
- ✓ Extensive experience in migrating websites and managing hosting environments on platforms like GoDaddy and Hostinger, ensuring seamless performance and optimization.

### Experience

- ✓ Front-end Developer as well as UI/UX (2016-2021)  
Company : **Eway IT Solutions Pvt Ltd.**
- ✓ Founder & CEO (2021 to till date)  
My own Company : **Absne Pvt Ltd.**

### Strength

- ✓ **Honesty**

### Language

- ✓ Hindi and Urdu (Mother Tunk)
- ✓ English (Basic - Can chat, but not comfortable in spoken)
