- Strong logical thinking and problem-solving skills.
- Quick learner with a drive for continuous improvement.
- Dedicated, punctual, and hardworking.

LANGUAGES

- English
- Urdu
- Punjabi

PROFESSIONAL EXPERIENCE

Mern Stack Developer

Baramdat Solution | Jan 2024 - Present

- Gained expertise in Socket.io for real-time messaging, React Redux Toolkit, advanced routing, and role-based permissions.
- Implement live streaming features using Zegocloud.
- Implement AWS S3 Bucket for file and image storage.
- Utilized Next.js SSR and CSR for optimized performance.
- Contributed to cross-platform mobile projects using React Native Expo.

Mern Stack Developer

Digital Sensei Technologies (Remote) | March 2024 - Dec 2024

- Developed marketplace and e-commerce web/mobile apps and admin dashboards including TypeScript with backend integration.
- Implemented Stripe and webhooks for payment systems on both web and mobile platforms.

Junior React Native Developer

Digital Sensei Technologies | June 2023 - Dec 2023

- Created responsive designs and implemented Firebase notifications and authentication.
- Integrated APIs, managed navigation, and utilized React Redux for state management.
- Developed APIs with Node.js and Express.js, performed MongoDB queries, implemented JWT for security, and set up cron jobs.

Internship / Part Time

Digital Sensei Technologies | March 2023 - June 2023

- Gained practical experience building mobile applications.
- Learned React fundamentals, including hooks, components, state management, and responsive UI design to create user-friendly interfaces.
