## ● ABOUT ME:

I am an aspiring Frontend and WordPress Developer Software Engineer with a strong interest in learning and developing my skills in WordPress and Frontend development. While I am at the beginning of my career, I am eager to grow in the field and am committed to building a solid foundation in WordPress and Programming and problem-solving. I am motivated, a quick learner, and excited to contribute to a team and take on new challenges. I look forward to applying my passion for technology and working to develop innovative solutions.
